

**LB-02-8150A** Polished Brass Clear Coat Lido Shelf & Rod Bracket 1-5/16" Tubing

Our premium brass finish closet brackets give dual support for both closet rods and shelving. Made from the highest quality metals and hand polished for a superior finish, they feature a set-screw that firmly locks and holds the closet rod into place.

The bracket fits shelving up to 12" deep, and supports our **Premium Closet Rods** as well as other rods up to 1-1/2" in diameter. For shelving and rod support we recommend the use of a bracket every 4 feet.

Often used with A106 closet rod and 505SET flange set.

NOTE: Mounting hardware is not included with the brackets.
